

Summer Adult Christian Growth Classes Sundays, 9:45-11:00 am, June 4-August 6*

“The GAP” - Get Acquainted Place—WSS Rm 302

with Fred & Pat Reich and Roger & Carol Johnson

The GAP serves as a relaxed place to meet and get acquainted with others - some who have recently started visiting West Side and others who have been members of our family for decades! We enjoy sharing with one another and typically read and discuss a Bible-based book. Come step into and experience Christian community with us!

Making Disciples and Disciple Makers:

The Ministries of West Side—WSS Rm 306 (Upper Room)

with Ward TeGrotenhuis, Bill Root, Jim Morris, et. al.

West Side Church has a 5-year goal to “win the right to share Jesus with 10,000 people”. This summer, come learn the ways that West Side is already obeying the Great Commission (Matt. 28:16-20) by discipling the young and old into relationships with Jesus and winning the right to share their faith in making new disciples. We encourage you to take this opportunity to see how God is working, learn the needs and opportunities within West Side, and seek the Spirit’s leading for your own spiritual growth through our ministries. This class will begin with an excellent video by James Choung (from the 2017 ECO Gathering) to understand generational differences, followed by an exploration into how we might meet the spiritual needs of younger generations. Throughout the summer, we will also learn about West Side ministries including Children & Family, Youth, Alpha (outreach to seekers), Community Outreach (including a new opportunity to support World Relief locally), and much more. Join us this summer in anticipation of where God will lead us.

**NOTE: There will be no classes on June 18 (Worship in the Park) or July 2 and 16 (2 Service Sundays).*
