

In Paul's letter to the Galatians, he shares about what happens in us through God's empowering presence. This is what Paul says:

You, my brothers and sisters, were called to be free ... the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control. Against such things there is no law (Galatians 5:13,22-23).

It's not a "have to" sort of life, and here is what is going to happen in every believer, the Spirit of God is going to produce love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control. It will happen. It is happening, if the Spirit of Christ is in you.
