## What is Financial Peace University?

We all need a plan for our money. Financial Peace University (FPU) is that plan! It teaches God's ways of handling money. Through video teaching, class discussions and interactive small group activities, FPU presents biblical and practical steps to get from where you are to where you've dreamed you could be. This plan will show you how to get rid of debt, manage your money, spend and save wisely, and much more! This ministry also emphasizes the importance of coming alongside each other to challenge, encourage, assist, support and to be accountable regarding how we handle money. The FPU lessons include the following:
