

Our Service Today

How can we be sure that God is for us? How do you resolve this issue in your own life when you are passing through a time of trouble and suffering? Take a few minutes and think about this as you prepare your heart for worship. God assures us that he is for us, but at times he seems far away. As you listen to the message today, jot down thoughts that might help you keep on track, particularly this First Sunday of Advent as we prepare for his coming. And think about these questions: What gives you meaning? What gives you a sense of purpose? What in your life has brought you closest to God? As God draws near to you, use this time to draw near to Him.

Here at West Side we believe everyone has a next step, so as you worship today, consider the following as potential next steps for you:

This week, let's remember:

- **That God is for us, even during times of testing and difficulty.**
- **To be like Mary and submit to Him in trust, faith, and hope.**
- **To keep talking to God during suffering, and thinking about how God can use this to deepen our relationship with Him and give us a sense of purpose.**
- **To support local families in need through our Christmas Outreach by donating gifts for boys and girls, money for gifts, misc. household items, or items for Family Fun Night baskets.**

These next steps are also the same as the next steps on the connection card so that you can take a copy home with you.

We would like to thank the families that participated in The Lighting of the Advent Candle.

Advent Sermon Series Begins TODAY: "Christmas Gifts - Five Gifts God Wants To Give You This Christmas"

Christmas is America's favorite holiday! As one well-known song puts it, "it is the most wonderful time of the year!" For followers of Jesus, it is especially significant. It is one of the few times where faith and cultural traditions blend together with harmony and joy. Whether your family enjoys singing Christmas carols, trimming trees, shopping for gifts, or gathering for a Candle Light Service on Christmas Eve, these are some of the many ways we can share the joy of the holiday with Christians and non-Christians alike.

At the same time, it can be a hectic time of the year. From the pressure on parents trying to make ends meet and still have gifts for kids to the busyness of trying to pack as much as we can into these few weeks, it seems easy to lose the sense of the holiness of the holiday. In the four Sundays leading up to Advent, we are going to slow down and pay attention to the fact that the good news of Christmas is that it is about gifts, but primarily it is about what God wants to give us.

If you are feeling worn out, tired, or overwhelmed, take time to let God's Word redirect you to the real purpose of Christmas. If you are looking for something deeper, richer, and more lasting than anything you can buy, listen to the good news that a Savior has been born for you!

This week we are praying for Todd and Karla Poulter with Wycliffe Global Alliance. They recently wrote: "On arrival in Penang two weeks ago, I took a taxi from the airport to Scott's (Todd and Karla's son) school. The driver, a middle-aged Malay (Muslim) man, mentioned that his wife Amral was unwell. They were going to a traditional Malay healer because the doctor in the government clinic couldn't figure out what was wrong. Sensing his desperation, I asked if I could pray for Amral in the name of Isa al Masih (Jesus the Messiah). He readily agreed, and was obviously very grateful. I wish there was a way to find out how God answered that prayer."

Note: If you are admitted into the hospital, the Deacons would like to call on you. Please list "Presbyterian" on the admittance form and notify the Church Office (946.4656).

Christmas Card Exchange: Christmas Mailbox Open Now!

This wonderful West Side tradition is a way to help local West Side members send their greetings to regular church attendees and for Sarah Circle to raise money for missions and our Marcus Whitman Tutoring Program.

Here's how it works:

- Place your cards addressed with the name of your West Side friends into the mailboxes in either narthex (be sure to sort them alphabetically).
- Place your "postage," a suggested donation of 10¢ per card, into the decorated box. That's a savings of over 30¢ per card!
- Check the mailbox regularly to see if "you've got mail!"

Christmas Offering - The Funkas

This year our Christmas offering will go to Andrew & Amy Funka, West Side-supported missionaries in the Czech Republic ("Czechia") with Alongside Ministries International. Hopefully you had a chance to meet this energetic and faith-filled couple when they visited us last month.

Czechia is officially atheistic, the language is difficult to learn, and youth Christians there are mocked. West Side has sent teams there the past two summers to help teach English at an ESL camp and share the gospel with Czechia's youth.

We are hoping to raise \$3,260 to help the Funkas grow their ministry in two important ways: 1. Through intensive Czech language classes to help them with this difficult language and boost their effectiveness with their ministry, and 2. Expanding ESL Camp ministry to a "Restricted Access" country as their ESL camps are a highlight of the year for many Christian youth and this would allow them to expand the program. [see December newsletter for more details]

If you would like to make a donation, please make your check payable to "West Side Church" with "Christmas Offering" on the memo line or use a Christmas Offering envelope on Sunday morning. Any amount raised above \$3,260 will benefit other ministry projects for the Funkas.
